

MEAT STANDARDS AUSTRALIA

Amendment Advice 1/2014 – 26th March 2014

TO: All licensed Meat Standards Australia (MSA) saleyards

ATTENTION: MSA Coordinator, Head of livestock sales, QA coordinator

It is a requirement of a Meat Standards Australia (MSA) licensed saleyard to have a current MSA Standards Manual and have in place a system for controlling updates.

MSA advises an amendment has been made to the MSA Standards. The MSA Standards have been reformatted into supply chain sections. The sections relevant to MSA saleyards include:

Section 1 – Foreword and Introduction

Section 3 – Licence and Trade Mark

Section 6 – Saleyards

Section 12 – Compliance and Audit requirements

Section 13 – Suspension or Termination and Dispute Resolution

Section 14 – MLA Privacy Policy

Licensed saleyards will have immediate access to the revised documents via the MSA beef and MSA sheepmeat page of the Meat Standards Australia website, www.mla.com.au/msa or through the Members area.

MSA saleyards should note the changes to relevant sections of this publication and update any electronic or printed copies maintained on file. The revised Standards will be effective immediately.

If you have any queries on the amendment information contained in this advice, please contact Meat Standards Australia on 1800 111 672 or email msaenquiries@mla.com.au.

Kind regards,

Richard Lower
Manager, Meat Standards Australia
